**Sub: UPSEE 2014; Asking for expression of interest for the institutes in order to
conduct the UPSEE 2014 successfully.**

Dear Friends,

Please refer to my earlier letter of February 1, 2014 on the subject matter. We have received quite a few expression of interests. The last date for receipt of EOI is February 28, 2014. Those who don't submit their EOI would not be considered for the purpose of creating a nodal centre and help desk for UPSEE-2014.

Looking forward to your kind response early.

With regards.

Yours sincerely,

(Prof. R.K. Khandal)
